How healthcare reform affects your plan:

Your plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (PPACA). As permitted by PPACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of PPACA that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in PPACA, for example, the elimination of lifetime dollar limits on benefits.

Important note: Dependent coverage is now available for any child (regardless of marital status, residency, student status, etc.) of an employee who is deemed to be the employee's biological, step, foster or adopted child (including a child placed for adoption) until such child reaches age 26. The only instance where coverage will not be provided to a dependent under 26, is in the instance where a dependent is eligible for other coverage through his or her employer.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to Meritain Health.

PLAN DECLARATION

I understand that the above elections will remain in effect until the last day of the Plan Year for which they are effective and will continue in effect indefinitely beyond that Plan Year unless I make an election change permitted under the Plan. I understand that I may change my elections during the Plan Year only if (i) I experience a "status change", as defined under the Plan, and if my change in elections is consistent with that "status change", (ii) I exercise a Special Enrollment Period Right (as described in the Notice of Special Enrollment Periods below), or (iii) I qualify (under applicable law, as determined by the Plan Administrator) to make another election change because of certain changes in cost or coverage of a benefit option, or for certain other reasons. I understand that the cost of a benefit option that I have elected under the Plan may change from one Plan Year to the next and I hereby agree that my payroll deductions will automatically change accordingly unless I submit a new Election Form during the appropriate annual election period to change or terminate that coverage. I also understand, during a Plan Year, if there is a change in the cost of a benefit option that I have elected, the Employer may automatically increase the payroll deductions, if any, I am required to make per pay period to pay for that benefit option. I understand further that, except to the extent that I am permitted to make a change under the Plan, the payroll deduction elections I have made above will continue in effect notwithstanding any changes in the features or coverage offered under the benefit options I have elected above.

I understand that my employer may modify my benefit elections if appropriate to insure that the Plan complies with the terms of the Plan and the requirements (including tax-qualification requirements) of applicable law and that, subject to the requirements of applicable law or any applicable insurance contract, my employer retains the right to amend or terminate coverage under a benefit option. Also, I understand that the employer may modify my elections for health benefit options if required to do so by a Qualified Medical Child Support Order that requires me to provide health coverage for a dependent.

NOTICE OF SPECIAL ENROLLMENT PERIODS

If you are declining enrollment in the Plan's health coverage options for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the Plan's health coverage features if you or your dependents lose eligibility for that coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. If you are declining to enroll yourself or an eligible dependent for health coverage because you have (or your dependent has) existing health coverage, your employer may require that you provide a written statement indicating that you are declining coverage because of the existing health coverage. If the employer requires such a statement and notifies you of that requirement, you will receive a separate form to complete and you must complete it to preserve your right to a future special enrollment situation following a loss of that existing coverage.

To request special enrollment or obtain more information, contact your Human Resources representative.
